### ACTIVITY BASED LEARNING

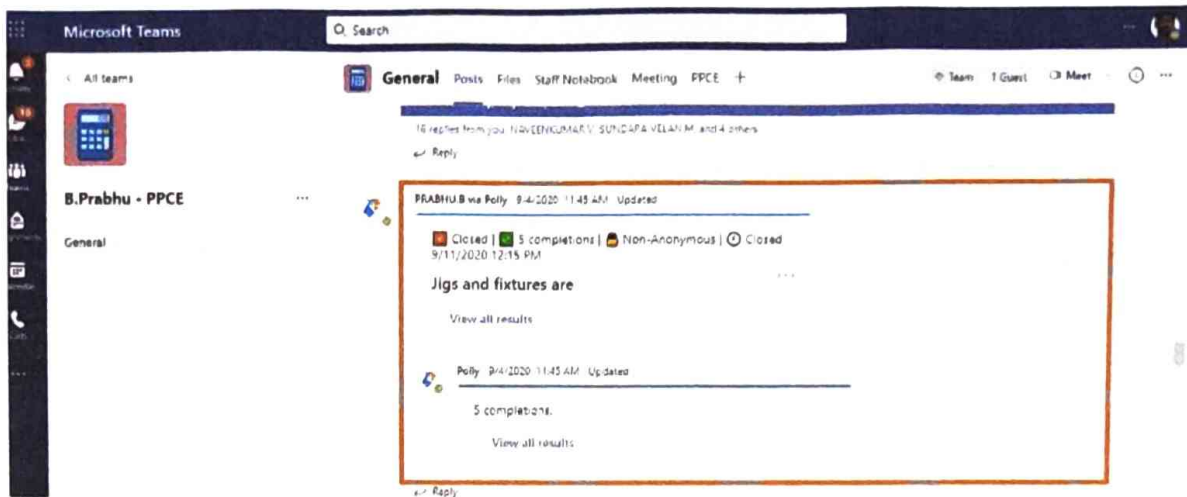

<b>Name of the course instructor</b>	<b>: B.PRABHU</b>
<b>Subject Name</b>	<b>: Process Planning and Cost Estimation</b>
<b>Subject Code</b>	<b>: ME 8793</b>
<b>Academic Year</b>	<b>: 2020-2021 (ODD Sem)</b>
<b>Class &amp; sec</b>	<b>: IV - A</b>
<b>Tool used</b>	<b>: Online quiz through "Polly"</b>

#### **Description:**

In Unit-II (Process planning parameters) of the subject ME 8793 Process Planning and cost estimation, there is a portion which explains the principles, significance of Jigs and fixtures. Students are explained with these concepts by giving lecturing through power point presentation. For better understanding and easy remembering of the contents, students are encouraged to participate online QUIZ through Polly in Microsoft Teams during the period of lecture. In Polly, topic related questions in jigs and fixtures are fed and they are asked to take the quiz during the lecture hour. Through which the students will be able to remember and recall the concepts which are taught during the day of lecture.

**Proof (Photo\document\any other)**

**Conducted Date: 04/09/2020**

**Outcome:**

1. The students will be able to recall the concepts in the specified topic.

### ACTIVITY BASED LEARNING

Name of the course instructor : D.Palani Kumar  
Subject Name : Computer aided Drafting Lab  
Subject Code : MT1211  
Academic Year : 2020-2021 (EVEN Semester)  
Class & sec : I – MTR & PT  
Tool used : Online Certification from AutoDesk

#### **Description:**

For better understanding and easy remembering of the contents, students are encouraged to participate for the online certification course “Introduction to Engineering Graphics and Visualization” from AutoDesk Design Academy. Students need to listen to the video sessions on the topic mentioned and attend an assessment for certification.

#### **Outcome:**

The students understood the EG concepts well.

Certificate of  
Completion

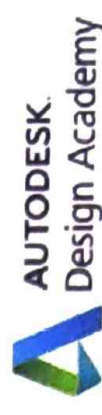

This certificate recognizes that

**ANANDAKRISHNAN .V**

has successfully completed all required learning materials in the  
following course:

**Introduction to Engineering  
Graphics and Visualization  
for Design**

Date:  
**06/25/2021**

Certificate of  
Completion

This certificate recognizes that

**Sureka P**

has successfully completed all required learning materials in the  
following course:

# Introduction to Engineering Graphics and Visualization for Design

Date:  
**06/27/2021**

Certificate of  
Completion

This certificate recognizes that

**Sakthi Bala**

has successfully completed all required learning materials in the  
following course:

# Introduction to Engineering Graphics and Visualization for Design

Date:  
**06/25/2021**

Certificate of  
Completion

This certificate recognizes that

**Harrish Babu**

has successfully completed all required learning materials in the  
following course:

**Introduction to CAD: Learn  
Fusion 360 in 90 minutes**

Date:

**07/06/2021**

Certificate of  
Completion

This certificate recognizes that

**Rahul G**

has successfully completed all required learning materials in the  
following course:

**Introduction to Engineering  
Graphics and Visualization  
for Design**

Date:

**07/17/2021**

Certificate of  
Completion

This certificate recognizes that

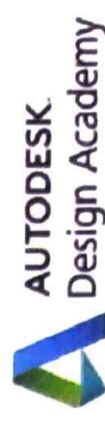

**Rahul G**

has successfully completed all required learning materials in the  
following course:

# Introduction to Engineering Graphics and Visualization for Design

Date:

07/17/2021

Certificate of  
Completion

This certificate recognizes that

**Bhuvanesh waran**

has successfully completed all required learning materials in the  
following course:

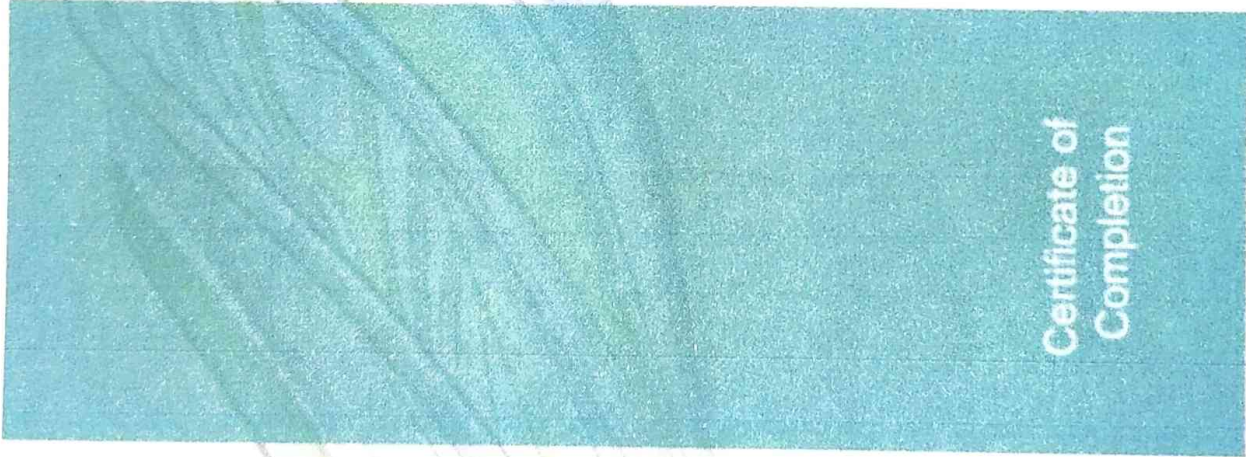

**Introduction to Engineering  
Graphics and Visualization  
for Design**

Date:

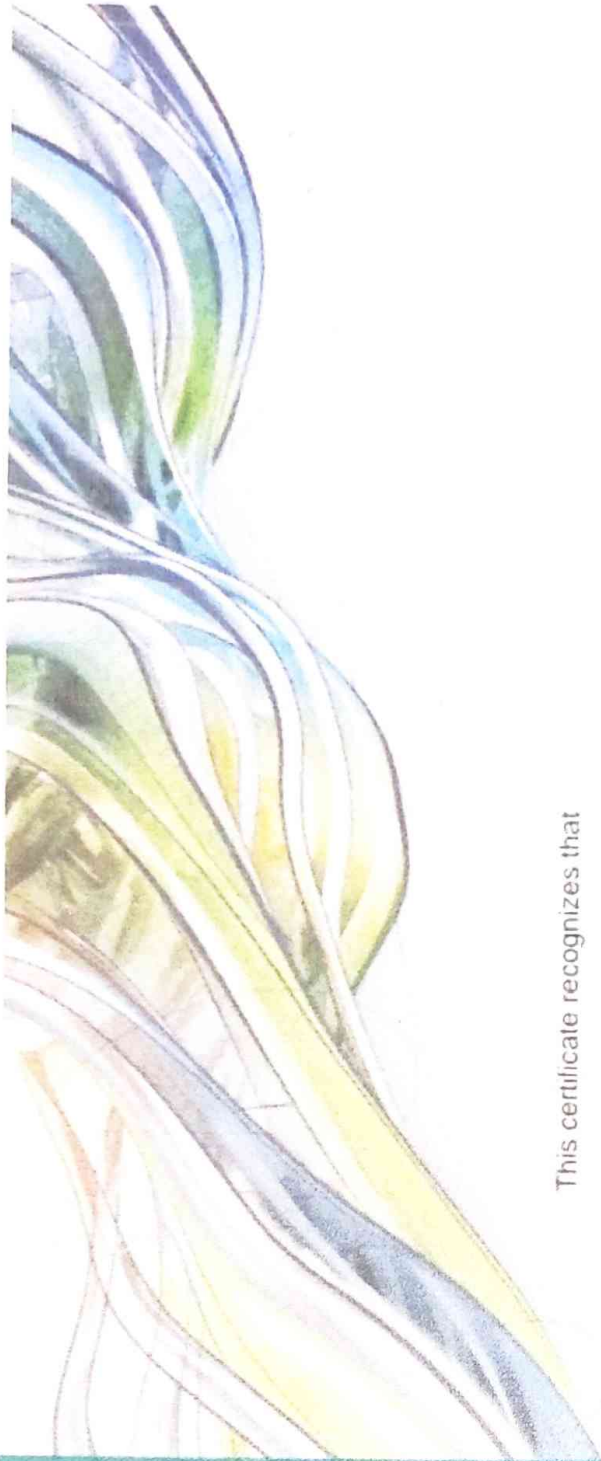

06/25/2021

Certificate of  
Completion

This certificate recognizes that

**Sabari vasan S**

has successfully completed all required learning materials in the  
following course:

**Introduction to Engineering  
Graphics and Visualization  
for Design**

Date:  
**06/25/2021**

Certificate of  
Completion

This certificate recognizes that

**Karthikeyan S**

has successfully completed all required learning materials in the  
following course:

# Introduction to Engineering Graphics and Visualization for Design

Date:

06/25/2021

Certificate of  
Completion

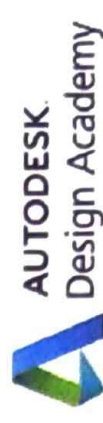

This certificate recognizes that

**Naveen Prakash M.E**

has successfully completed all required learning materials in the  
following course:

**Introduction to Engineering  
Graphics and Visualization  
for Design**

Date:  
**07/07/2021**

Certificate of  
Completion

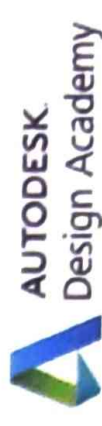

This certificate recognizes that

**RAMANAVEL R**

has successfully completed all required learning materials in the  
following course:

**Introduction to Engineering  
Graphics and Visualization  
for Design**

Date:  
**06/25/2021**

Certificate of  
Completion

This certificate recognizes that

**Veeranan C**

has successfully completed all required learning materials in the  
following course:

# Introduction to Engineering Graphics and Visualization for Design

Date:

06/25/2021
