Startup: a new business

Startup: a new business

What's a startup?

What's a startup?

Startup: a new business
Startup: a new business
Startup: a new business

Why to startup?

Startup: a new business
Startup: a new business
Startup: a new business
Startup: a new business
Startup: a new business

When to startup?

Stages of Startup idea:

- 1) Ideation
- 2) Brainstorming
- 3) Finding a copartner(s)
- 4) Market research
- 5) Start/register the company
- 6) Bootstrap and do business
- 7) Go for funding for expansion and fast scale up

Where to startup

Can you identify the photo given above?
Where is it and which company?
These photos are related to each other.

The photo above is in Chennai.
The one below is in Sivaganga, Kottayur.
Both are offices of Zoho, the famous SAAS
startup founded by Sridhar Vembu.
So it shows you can begin your journey
anywhere in the country or the world.
You can start it in Virudhunagar also.

How to startup

You can start as a:

- 1) Proprietorship
- 2) Partnership
- 3) OPC (One person company)
- 4) Limited company

Out of the above options, limited company is preferable as it will help in registering your start up with government agencies like Startup India.

It will help in getting government grants, subsidies, recognition, etc.

It will also help in getting funding from various other agencies.

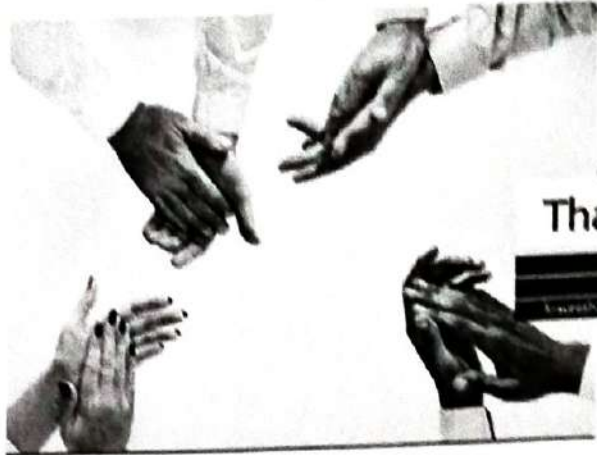

- 1) Seed funding
- 2) Angel funding
- 3) Venture funding
- 4) Private Equity
- 5) IPO

Nowadays even pre-seed funding is available.

Ethics In Startups

- Follow strict corporate governance in your startup.
- Treat everyone equally and fairly.
- No discrimination on the basis of gender, race, caste, religion, nationality, etc.
- Disclose actual business revenue, profit and loss, growth and decline or any other problems to your investors.
- Don't fudge the figures to get a better valuation, funding for your company.
- Can you recognise the person in the photo?

It is Byju Ravendran, CEO and Founder of Byju's, once the world's most valued startup (value fell from \$21 billion to \$1 billion now)

Thank You

An interactive Session on **"HOW TO BE A GREAT ENTREPRENEUR"** on 21.08.2023

The Institution's Innovation Council & Entrepreneurship Development Cell organized an interactive session on **"HOW TO BE A GREAT ENTREPRENEUR"** on 21.08.2023 for II, III and IV year Students. A total of 79 students attended the program. Dr.I.Sankar, Dr.I.Sankar, EDC Coordinator & Associate Professor Department of Mechanical Engineering, National Engineering College, K.R.Nagar, Kovilpatti presided the program as chief guest. The program began with welcome address by Dr. P.Narayamasamy, ASP/MECH, EDC coordinator followed by chief guest introduction by Ms. Alitia B Almeda, III Year Mechanical Engineering. He shared the real-life success stories and experiences of accomplished entrepreneurs, igniting their passion and motivation to pursue their entrepreneurial dreams. Budding entrepreneurs gained valuable insights and practical strategies for becoming successful entrepreneurs, including understanding the essential traits, skills, and mindset required, as well as learning about effective business strategies, risk management, and innovative approaches. He also discussed the challenges commonly faced by entrepreneurs in various fields. Through interactive discussions, real-life examples, and expert guidance, the event aims to inspire and empower individuals who are interested in entrepreneurship, fostering their understanding of the entrepreneurial journey, and equipping them with the tools to effectively navigate challenges, seize opportunities, and ultimately succeed in the dynamic world of business. Finally, the program ends with a formal vote of thanks provided by Dr.T.Prathiba, AP/ECE. The chief guest was honoured by Principal Dr.S.Senthil, with a memento.
