### ONLINE FACULTY DEVELOPMENT PROGRAM ON EDIFYING RESEARCH COMPETENCE

30-06-2023

#### ABOUT THE PROGRAM

This program provides a platform for the participants to enhance their research competencies. This program stimulates the professionals to adopt an exploratory approach to intensify the competency of research work and expedite technology transfer. The resource persons who have consented to deliver presentation are from highly reputed educational institutions and well established research centers with ample experience in teaching and research.

The two sessions of this program is organized in virtual mode with a common Micro Soft teams link.

#### REGISTRATION

No Registration Fee

Interested participants  
can register through below link

#### ABOUT THE COLLEGE

Our College was established in the year 1998. It is promoted and supported by Virudhunagar Hindu Nadars' Devasthanam, various Hindu Nadars' Mahamai Tharappus in Virudhunagar and other places and educational institutions of Virudhunagar. The management of the institution consists of the elected members of various Mahamai Tharappus and ex-officio members of various educational institutions of Virudhunagar. Our College is ideally located on the home land of Karmaveerar "Bharat Ratna" K. Kamaraj and our institution is one of the Virudhunagar's most recognisable landmark.

#### ABOUT R&D CELL

Kamaraj College of Engineering and Technology has been recognized as a "Scientific and Industrial Research Organization (SIRO)" by the Department of Scientific and Industrial Research (DSIR), New Delhi. Kamaraj Research forum focuses to create a Research ambience and improve the quality of Research in the college thereby creating a conducive environment for enhanced research productivity in terms of publications, patents, products and funded projects. It aims promoting research in the emerging and challenging areas of Science, Engineering and Technology. It promotes researchers to identify potential collaborators from industry, research organizations and academic institutions. It is actively involved in preparing database of the in house expertise available to provide Industrial consultancy and services.

Dear Dr. N. Priyadarshini,

Sub: **INVITATING TO ACT AS RESOURCE PERSON FOR ONLINE FDP – REG**

On behalf of Kamaraj College of Engineering and Technology, I am delighted to extend an invitation to you act as the resource person in our upcoming **Online Faculty Development Programme** on “**Edifying Research Competence**”, scheduled on **June 30, 2023**.

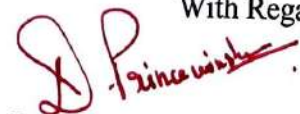

We are confident that the attendees would benefit from your knowledge and insights after carefully considering your outstanding contributions towards innovation and recent research in material science. The FDP strives to bring together researchers, professors, and enthusiasts to discuss the newest developments and trends in the field of recent research.

We would be honoured for you to give a keynote speech on the subject of “**Focus on Research and Innovation in Recent Scenario**.” The conversations would certainly be enriched by your distinctive viewpoint and in-depth expertise, which would also motivate our audience. We anticipate your talk to be approximately 10.00 am to 11.30 am minutes in length, allowing ample time for interaction.

We sincerely hope that you will accept our invitation and grace us with your presence.

Thanking You

### Report of online FDP on Edifying Research Competence

A Faculty development programme on “**Edifying Research Competence**” was held on 30 June 2023 through online mode. The aim of the programme was to focus on the recent trends in research as well as to stimulate the researchers to adopt the exploratory approach to intensify their research competencies. The faculty members from various institutions participated to this program. The programme began at 10.00 am with prayer song, followed by welcome address by Dr. D. Prince Winston, Dean Research, KCET. The chief guest introduction was given by Dr. S. Hema, Associate Dean Research. The resource person **Dr. N. Priyadarshini**, Department of Physics, PSGR Krishnammal College for Women, Coimbatore, she had 15 years of professional experience in teaching and research. Then the session had led by our resource person. She gave a brief lecture on **Focus on Research and Innovation in Recent Scenario**. She also discussed the latest trends in application-based research, LI-ion battery, futuristic electrical devices. The lecture was very beneficial and provided the insights on various challenges associated with the budding researchers.

Afternoon session was started at 2.00 PM with the chief guest introduction given by Dr. M. G. Sri Bala, AP/PT. The resource person for the session was **Dr. D. Arun Kumar**, Institute of Multidisciplinary Research for Advanced Materials, Centre for Mineral Processing and Metallurgy, Tohoku University, Japan. He had ample experience in areas of polymer electrolytes, conducting polymer, impedance spectroscopy, thin film and nano technology. **He delivered a detailed lecture on Recent Approaches for better Outcome**. He emphasized the importance of collaborative multidisciplinary research to build the research skills and how to conduct quality research with high impact publications in top notch scientific journals. The participants gave feedback that this programme lightened them about various National and International funding agencies and concepts of technology transfer clearly. This programme motivated the participants to do collaborative research and publish their quality research in reputed journals

Finally , the vote of thanks was given by Mrs. J.Uma Maheswari, AP/EIE, KCET. We finished the program with the National Anthem.

### ABOUT THE COLLEGE

Our College was established in the year 1998. It is promoted and supported by Virudhunagar Hindu Nadars' Devasthanam, various Hindu Nadars' Mahamai Tharappus in Virudhunagar and other places and educational institutions of Virudhunagar. The management of the institution consists of the elected members of various Mahamai Tharappus and ex-officio members of various educational institutions of Virudhunagar. Our College is ideally located on the home land of Karmaveerar "Bharat Ratna" K. Kamaraj and our institution is one of the Virudhunagar 's most recognisable landmark.

### ABOUT R & D CELL

Kamaraj College of Engineering and Technology has been recognized as a "Scientific and Industrial Research Organization (SIRO)" by the Department of Scientific and Industrial Research (DSIR), New Delhi. Research and Development Cell forum focuses to create a Research ambience and improve the quality of Research in the college thereby creating a conducive environment for enhanced research productivity in terms of publications, patents, products and funded projects. It aims promoting research in the emerging and challenging areas of Science, Engineering and Technology. It promotes researchers to identify potential collaborators from industry, research organisations and academic institutions. It is actively involved in preparing database of the in house expertise available to provide Industrial consultancy and services.

## COLLEGE OF ENGINEERING & TECHNOLOGY

(An Autonomous Institution - Affiliated to Anna University, Chennai)  
S.P.G.Chidambara Nadar - C.Nagammal Campus  
S.P.G.C.Nagar, K.Vellakulam - 625 701 (Near Virudhunagar).

### ABOUT THE PFMS

The Public Financial Management System (PFMS) is a web-based online software application developed and implemented by the office of Controller General of Accounts (CGA). The primary objective of PFMS is to facilitate sound Public Financial Management System for Government of India (GoI) by establishing an efficient fund flow system as well as a payment cum accounting network. PFMS provides various stakeholders with a real time, reliable and meaningful management information system and an effective decision support system, as part of the Digital India initiative of GoI. The biggest strength of PFMS is its integration with the Core banking system in the Country. As a result, PFMS has the unique capability to push online payments to almost every beneficiary / vendor. At present, PFMS interface is having interface in addition to the Core Banking System (CBS) of all Public Sector Banks, Regional Rural Banks, major private sector banks, Reserve Bank of India, India post and Cooperative Banks.

### SCOPE OF THE WORKSHOP

To resolve issues relating to all the schemes from which the institutions would be receiving funds. Individual issues of all institutions will be addressed and resolved. During the workshop, Resource Persons will create two users - one person to work as data operator - who would initiate the transaction and one data approver who would approve the transaction (their name, personal mobile no - for password recovery and email address would be required). The officials attending the workshop should bring with them the cash book of various schemes and also the details of vendors to whom they regularly make payment or have made payment for previous year (vendor name, bank name and account no and other available details).

Two staff from a college can attend. One of them could be the UGC coordinator and one accounts person duly authorized by the Head of the Institution.

Those who come representing their institution should carry their PFMS login id (UNIQUE ID) and password or should be authorized to retrieve the same on behalf of the institution. A Topic covered on PFMS would be Fund Management, User Management, Vendor Management, Expenditure Filing (EAT Module) Payment Module & reports.

The implementation / training (Agency) for posting of entries on EAT Module - Details required will be Creation of Users (details to be brought)

- Scheme Wise Data Operator (Name, Mobile no and email)

### PROGRAMME SUMMARY - DAY 2

Title of the Programme: State Level Workshop on Public Financial Management System with special reference to TSA/CNA/SNA

Organizer : Research and Development Cell

Date and Time of Programme : 26-09-2023 and 10:00 A.M.-4:00 P.M

Venue : CAB Laboratory - Academic Block IV

Mr. S. Francis, in his talk, mentioned, the PFMS portal may be quite complicated to start with. However, it is the easiest way of managing funds as per the regulations. Such workshop training is essential in order to make the users familiar with the procedures. Dr.P. Mehalingam, in his talk reminded that the funding agencies announced several times that they would not entertain proposals and grant funds if the Institutions did not make use of PFMS portals for the submission of expenditure details. He said a number of such programs are being organized in various parts of the country to create awareness.

Every participant was asked to log into their respective institutional PFMS account. Participants highly appreciated the efforts taken by the host institution and the resource persons for giving such an opportunity to upgrade themselves in their professional demands. PFMS issues faced by the institutions were resolved by the representatives.

Dr. M. Hema Associate Dean of Research and Development Cell, thanked everyone for gracing the occasion. Finally Certificates was distributed to all the participants. 60 % of the participants who registered their feedback via online form were agreed that the objectives of the programme met verygood. Average rating of the programme - 4.63/5

**Annexure-III : Programme Summary**

Research and Development Cell of our college and the First year Department organised Research Orientation for all the First Year Students to motivate them to pursue Research work. The main aim of the program is to create awareness about conference presentation, Paper presentation, project work, proposal writing, patent and copyright among the first-year students. First year students were divided into three batches Sessions were handled separately for each batch in three venues as below:

**Batch-I** CSE-A, CSE-B & CSE-C (CSE conference Hall II)

**Batch-II** BT/CIVIL, IT-A & IT-B (EDUSAT Hall)

**Batch-III** ECE-A, ECE-B, ADS & MECH/MTRE/EEE (VNRT Conference Hall)

Six faculty members from Research Cell handled various modules as below for all the first-year students on 28.02.2024, 06.03.2024 and 13.03.2024.

## Kamaraj Research and Development Cell

### Report of Guest lecture series

The Guest lecture series on the topics “Sustainable Development Goals” and “How to write the project proposals to various funding agencies” was organized on 14-05-2024 and 16-05-2024 respectively through physical mode. The aim of the programme was to create awareness on Sustainable Development Goals and its significance as well as various funding agencies and how to write winning proposals. This programme elicited the faculty members to intensify their writing competencies of project proposals aligned with social, economic, and environmental sustainability. 26 faculty members of Kamaraj College of Engineering and Technology have participated in this program. Guest lecture series-I was organized on 14-05-2024 at 12.00 noon. The resource person was **Dr. M. Hema, Associate Dean Research/KCET**. She gave a brief lecture on **Sustainable Development Goals(SDGs)**. She discussed about 17 goals of SDGs which is designed for better and more sustainable future for all by 2030. The participants understood that goals are interconnected and designed to balance social, economic, and environmental sustainability. Guest lecture series-II was organized on 16-05-2024 at 2.00 PM with the chief guest introduction given by **Dr. D.Prince Winston, Dean Research/KCET**. The resource person for the session was **Dr.Pabitra Kumar Biswas, Associate Professor, National Institute of Technology, Mizoram**. He had ample research experience in areas of Renewable energy system, E-Vehicles, Power Electronics converters, and motor drives and control. He delivered a guest lecture on **How to write the project proposals to various funding agencies**. He highlighted that a well-crafted proposal articulates objectives, methodologies, and expected outcomes as well as it should aligns with the funding agency's priorities and criteria. Also he emphasized the importance of collaborative research as well as project proposal should address the positive impacts to the society. The participants gave feedback that this programme enlightened them about various funding agencies and concepts of SDGs. This programme motivated the participants to apply for society based project proposals. Finally , the vote of thanks was given by **Mrs. J.Uma Maheswari, AP/GE, KCET**.
