DEPARTMENT OF CIVIL ENGINEERING

REPORT ON ISTE EVENTS & LECTURE ON “Overview of Competitive Exams Selection & an Outline on Work of JDO”

Department of Civil Engineering organized various events and Lecture on behalf of ISTE Students Chapter for II, III and IV Civil Engineering students

Department of Civil Engineering organized “Technical Connection”, for II Year Civil Engineering students as a part of ISTE Students Chapters on 02.09.2023. 8 students have participated in this event. The Technical Connection is a structured activity that encourages participants to build connections, forge alliances, and collaborate effectively to achieve common objectives. Rooted in principles of teamwork and problem-solving, the game simulates real-world scenarios where interconnectedness and collaboration are essential for success. This explores the mechanics, dynamics, and outcomes of the Technical Connection, highlighting its relevance in fostering connection and cooperation among individuals and groups.

Department of Civil Engineering organized “Poster Presentation – Chandryaan III & Aditya”, for III Year Civil Engineering students as a part of ISTE Students Chapters on 01.11.2023. 16 students with 10 Batches have participated in this event. Poster presentations serve as effective platforms for showcasing projects. A well-designed poster conveys key messages in a clear, concise manner, focusing on the most significant findings. Visual elements such as images, graphs, charts, and diagrams enhance the attractiveness and readability of the poster, effectively conveying complex information in an engaging format.

Department of Civil Engineering organized “Power Point Presentation – Repair and Rehabilitation of Structures”, for IV Year Civil Engineering students as a part of ISTE Students Chapters on 16.10.2023. 25 students have participated in this event. PowerPoint presentations are ubiquitous tools for communication in academic, professional, and educational settings. This report provides a comprehensive overview of PowerPoint

presentations, covering key aspects such as design principles, content creation, delivery techniques, and audience engagement strategies. By examining best practices and practical tips for creating impactful presentations, this guide aims to empower individuals to effectively leverage PowerPoint as a means of conveying ideas, information, and insights to diverse audiences.

Department of Civil Engineering organized Lecture on “Overview of Competitive Exams Selection & an Outline on Work of JDO”, for II, III and IV Year Civil Engineering students as a part of ISTE Students Chapters on 15.11.2023. 26 students have participated in this event. Competitive exams represent pivotal milestones in academic and professional journeys, requiring diligent preparation and strategic approach. The significance of lectures focused on competitive exam preparation, outlining key objectives, effective teaching methodologies, and essential content areas. By analyzing best practices, innovative techniques, and the role of technology in delivering impactful exam preparation lectures, this lecture aims to provide insights for educators, students, and professionals seeking to optimize their performance in competitive examinations.

Prize distribution ceremonies are symbolic occasions that acknowledge and reward excellence, dedication, and accomplishment in diverse events. These ceremonies serve as opportunities to celebrate the hard work, perseverance, and achievements of individuals, fostering a culture of recognition, appreciation, and inspiration.
