OFFER LETTER

Dear **Naveen R,**

Congratulations!

You have been provisionally selected for the post of **TRAINEE AR ANALYST** in our organization. You have cleared a highly selective process that aims to identify the most valuable of candidates with high potential to succeed in their career.

Your total compensation package on a cost to company basis will be **2, 36,496 INR (Two Lakh Thirty Six Thousand Four Hundred and Ninety Six only)** per annum.

Please find your compensation package enclosed in “**Annexure -I**” of this letter.

You will be informed of your date of joining upon your successful completion of your graduation and suitable availability of training schedules.

As a **TRAINEE AR ANALYST**, you will undergo one month of classroom training.

Your probation will be for a period of six months from the date of joining.

The company reserves the right to confirm your employment at the end of the probation period. Confirmation of employment will be based on your performance during the training and the probation period.

Please provide your acceptance to the offer within the next 7 days. Failure to do so will automatically revoke the offer.

You are also requested to return the enclosed copy duly signed as a token of your acceptance to the terms and conditions of your employment. We hope this will be the beginning of a long and successful career with us and for our mutual growth.

We wish you all the best for your professional career ahead!

For Quintessence Business Solutions & Services pvt ltd.

INTERNSHIP LETTER

Dear Bhuvaneshwaran,

Launchtrax is a pioneering developer of next gen Mission Systems for defence and aerospace customers. The team is working on multiple projects of national importance in the field of mission planning, terrain, visualization and decision support systems. We use a variety of technologies in 3D Visualization, Geospatial and Image Processing domains to deliver cutting edge solutions to our customers.

Every single mission from Satish Dhawan Space Centre (SDSC) SHAR, Sriharikota and India's Missile Test Complex, Integrated Test Range (ITR), Chandipur in India uses software developed by Engineers at LaunchTrax for better mission readiness.

We are pleased to offer you a full-time internship with us as an **Application Engineer** for a duration of three months. You will directly report to Ramji Srimurugan, CTO - Launchtrax. Your official place of work would be at our office in Virudhunagar. You will initially work from home for a few days. For this position, you will actively be involved in the on-going projects and product development efforts at LaunchTrax.

While work timings are flexible you will be expected to put in at least 8 hours of active work every day. There would also be certain company review meetings and training sessions on Saturdays, which you may be expected to attend. You will be required to align yourself with any project specific timings that might be expected from the project you are assigned to. Your monthly internship stipend would be Rs. 5,000. You will also be eligible for a full-time offer only on the successful completion of your internship with good performance.

Confidentiality and Intellectual Property

You agree that you will not divulge any of the confidential information related to the project, product development or trade secrets of the Employer to any person/ company, whether during or after the termination of employment. On the date of joining, you would be expected to sign a more detailed NDA and confidentiality agreement with the company

Termination Clause

1. During your time here, either party may terminate this agreement by providing written notice of 4 weeks (or payment in lieu of notice) to the other party.
2. Notwithstanding the above clause, the Employer may terminate this agreement by notice effective immediately without payment (except stipend accrued to the date of termination) where you have committed an act of wilful or serious misconduct, are significantly neglectful of your duties, or you are in breach of this agreement.

Kindly submit a copy of your Aadhaar card, PAN card, 12th marksheet, College degree certificates and a passport size photo for purposes of record keeping along with a contact for reference check.

Please note that this internship letter is contingent on the submission of the mentioned documents and details.

Please review, sign, and return via e-mail to confirm acceptance, no later than **December 29th, 2023**.

Congratulations and wish you the best!

Sincerely,

P. Prarthana,
(Lead – HR, Launchtrax Pvt. Ltd.)
