## ABOUT THE DEPARTMENT

The Department of Artificial Intelligence and Data Science (ADS), established in 2020, offers a B.Tech. programme with an intake of 120 students, combining theoretical and practical knowledge in AI and data science, supported by advanced infrastructure and experienced faculty.

The Department of Information Technology, established in 2001, offers a B.Tech. (IT) programme with an intake of 120 students, accredited by NBA for 2021-2024. The department aims to equip students to tackle challenges in a dynamic world, with a dedicated and highly qualified faculty.

### VISION

To Make the Department of Artificial Intelligence & Data Science and Information Technology the unique of its kind in the field of Research and Development activities in this part of world.

### MISSION

To impart highly innovative and technical knowledge in the field of Artificial Intelligence & Data Science and Information Technology to the urban and unreachable rural student folks

## OBJECTIVE OF THE CONFERENCE

The objective of the conference is to enable experts and researchers to present their latest findings, research ideas and advancements in their respective field and to enrich their knowledge in various fields.
